# Providers - Inclusion Warm Line

The Early Learning Coalition of Duval provides inclusion services for child care providers to support children with special needs to be included in quality early care and educational programs.

Call today for assistance with:

- Child development concerns;
- Behavior modifications strategies;
- Child care and community services;
- Referrals for children with special needs;
- Helpful information on inclusion and area resources;
- Provider trainings (behavioral management, differential instruction, classroom accommodations)
- Laws and regulations (IDEA & ADA)
