I have examined this application and, to the best of my knowledge and belief, the information provided is true and correct. If any of this information changes, I understand that the provider must submit updated information to the coalition, in writing, within 14 days of the change. I also understand that the provider is encouraged to submit updated information before a change is implemented as the provider may be out of compliance with the requirements of the VPK program if the changes are implemented before the coalition approves of the changes.
