

Curriculum Expansion and Implementation Study

The Division of Early Learning has provided the ELC of Duval with additional ARPA funding to **reimburse** SR and/or VPK contracted providers for state-approved curriculum, curriculum-related training materials, and/or any curriculum professional learning opportunities (online or in-person). **Providers must agree to participate in the DEL research study to receive the reimbursement. The provider must:**

- Identify the childcare center's Point of Contact information for the DEL researcher(s)
- Complete the project surveys within 15 days of receipt with DEL
- Participate in project interviews with DEL

To receive the **reimbursement**, you must provide documentation of purchase (receipts, credit card statements, canceled checks, etc.) from March 29, 2023, through November 17, 2023. The curriculum, curriculum-related training materials, and/or any curriculum professional learning opportunities must be **purchased** by November 17, 2023. Eligible providers must complete the **Curriculum Expansion and Implementation Study Application** and submit proof of curriculum and curriculum-related training materials purchases by November 17, 2023. Please submit all documents and direct all questions to jdaniels@elcduval.org.
