Tens of thousands of pieces of "hand art" will be hung throughout the state Capitol Rotunda in Tallahassee creating an amazing display of children's art. "Hand art" is decorated by children and their teachers, and collected at child care centers and schools across the state. The hand art hang in the Capitol Rotunda as a reminder to legislators and advocates that we must take care of our most precious commodity - our children.

We encourage you to decorate the hands with colorful artwork, stories and/or pictures! You can also use the hands to create small posters with the name of your program.

Be sure to include the name Duval or Jacksonville on the art! Be as creative as you possibly can! Staple your artwork onto string or ribbon vertically. String or ribbon must be 8 or 10 feet in length.

Hand art must be strung together and secured. Do not send individual hands or any items larger than 11" x 14".
