

Final Parent Inclusion Chat for 2023-2024 SY!

The Developmental Health and Inclusion Department is offering **Parent Inclusion Chats**. Inclusion is being a part of what everyone else is, being welcomed and embraced as a member who belongs. For children it is the practice of educating and caring for children with disabilities in the same environment or setting as their typically developing peers. In an inclusive program, children with and without disabilities learn and participate in the same daily activities and routines. This “chat” is an informal session that takes place virtually with other parents with similar concerns for their child(ren) seeking to get more information and resources while discussing and sharing ideas, strategies, and techniques based on inclusion topics.

In the beginning, we will talk about the topic of choice based on the feedback given from registration and then we will open up for discussion. Please come prepared with any questions and/or techniques you may want to share during this time. Active participation will be greatly appreciated.

Click on the registrations link to register. Topics may vary at each session, so you are welcome to register to more than one session.

Wednesday May 8, 2024 at 6:00pm to 7:00pm

<https://us02web.zoom.us/meeting/register/tZ0qdeygrj4oH9QG0g76x0c1qMSDua1fyNyJ>

Note: *If three (3) or fewer participants sign up for a certain date, the session will be canceled, you will be notified, and asked to select another date. The maximum number of participants for each training is 15.*

Once we receive your registration information, each participant will get an individual email to confirm after approval and a zoom link for the appropriate date and time of session they choose. Any handouts will be emailed to you prior to the session.

Multiple drawings will be held at each chat!
