

PROVIDER **TIPS** FOR PROMOTING FAMILY ENGAGEMENT

DURING FAMILY ENGAGEMENT MONTH

TIPS

- Post banners or signs celebrating families throughout your facility.
- Create a bulletin board with pictures of your children's and staffs' families. Post family activity tips and family friendly community events.
- Highlight family activities on social media posts.
- Share copies of the Family Engagement Month Calendar and post the calendar on your website.
- Host a family night or breakfast event.
- Share flyers on child development.
- Share DEL's Parents' Pages with families. Show parents how to sign up to receive them digitally.
- Create a Family Engagement Week at your school.

DURING FAMILY ENGAGEMENT WEEK

- Give parents family engagement materials. Request family engagement material from the ELC of Duval.
- Feature family engagement tips on social media posts. Highlight family engagement events on your website.
- Feature a family engagement Tip of the Day for each age level. Print the tip and give it to families.
- Ask families to share their favorite ways to be involved with their child's education. Ask families to post pictures of them engaging in their child's education on social media.
