

FAMILY ENGAGEMENT

Need Support?

Are you interested in developing or enhancing family engagement at your early learning facility? The ELC of Duval is here to help! We can provide support and resources to strengthen your family engagement efforts. Materials and opportunities may be available to assist in your family engagement improvements. Research shows that strong family engagement builds meaningful partnerships, improves child development, boosts school readiness and enhances social-emotional skills.

OPPORTUNITIES INCLUDE:

- Parent workshops
- Staff workshops on FE Practices
- On-site Parent Cafes
- Providing community and other resources for families
- Sharing take-home activities
- Implementing parent-teacher conferences
- Developing lending libraries for families
- Developing a PTA or family advisory group
- Enhancing communication with families
- Creating family-friendly environments
- Parent Cafe Training: 2-Day Event
